

세월 착임을 통한 새로운 여학 프로그램
Friendly Indonesia
2012년 5월 14일 초급 및 중급 개강

- Uiv. PARAMADINA의 Friendly Indonesia 프로그램 이력연수
- 자카르타 시내 상하위 교육 환경 / -인종 3개기 교육 학습
- 학생 장학 발급 / -도움(UP)PARAMADINA 대학원 시스템
- 사회문화 강의 및 문화 체험 활동을 통한 교육

The program is a form of cooperation with a partner who is both a national and international institutions which have representative offices in Indonesia, with a term of one year or more with more than two activities covered therein, providing funds and equipment in large quantities, areas of cooperation which require system of strict political control, and refers to the rules or format of these institutions. The process to obtain agreement and all handling activities in co-operation will be conducted through the Directorate of Cooperation and Fellowship by involving the academic community who are competent in these areas of cooperation.

The program handled by the University of Paramadina Cooperation are as follows:

1. In cooperation with Tiri-making integrity works, The Cooperation Department of Paramadina University act as a Secretariat of Indonesia-Integrity *Education Network* (I IEN). I IEN itself is an integrity-education network that until 2011 it has a membership consisting of more than 70 universities spread all over Indonesia. This collaborative program has been running in two years. The focus of this collaborative program is the provision of management support and implementation of activities related to the development of education in the network of integrity education in I IEN.
2. In December 2011, an agreement will be signed between the University of Paramadina, *Danish International Development Agency* (DANIDA), and *The Asia Foundation* (TAF), with a program titled 'Women and Public Space'. Paramadina University through the

partnership will manage the implementation of roadshow seminars on increased participation of women in public space. Roadshow is planned to be held in 12 cities across Indonesia in the period January 2012-December 2013. (For detail information please follow this link
